DATE: _____

DOMAIN REGISTRAR TRANSFER

Attention Transfers Department:

I hereby certify that I have full power and authorization to direct all decisions related to Domain Name policy on behalf of [name of Registrant]

_____ on a WORLDWIDE basis, including all international and local branches, subsidiaries, and divisions. I agree to and hereby authorize Japan Registry (Solis Corporation) to be our new domain name registrar for the names below. We authorize the parties involved to immediately take action and transfer our domain to Solis Corporation.

[List domains below]

- 1.
- 2.
- 3.
- 4.
- 5.

In addition, we authorize **Ascio Technologies Inc.** to take full responsibility for the management of these domain names.

A. Name Of Registrant Of Domain:

B. Name Of Person Signing This Form:

C. Position/Title:

D. Signature:

E. E-Mail:

F. Phone:

G. Date:

IMPORTANT: WE REQUIRE ONE FORM OF IDENTIFICATION, PHOTO-COPIED TO THIS FORM (acceptable forms of ID: drivers license, passport)

Notes: Please be advised of the following crucial requirements:

- i. Japan Registry (Solis Corporation) will send an email outlining all Transfer proceedings to the email address of record in each domain's Whois information, as well as the email address listed in point (e.) above. Any objection raised through either of these email addresses will immediately halt all Transfer proceedings.
- ii. The company name listed in point (a.) above (NAME OF OWNER OF DOMAIN) must match the company name listed each domain name' Whois information.
- iii. Japan Registry (Solis Corporation) reserves the right to require active confirmation and involvement of the local Japanese branch, the email address of record in the Whois information, or both.
- iv. Japan Registry (Solis Corporation) will not be held liable for Transfer proceedings initiated under good faith in the event of any forgery or misrepresentation conducted by any party named in this document.
